

## Job Advert

### Mozambican/ Malawian Independent General Practitioner- Telehealth

**Company:** Utanocnct (Pty) Ltd

**Position:** Remote Consulting General Practitioner

**Language Requirement:**

**Mozambique:** English and Xitsonga or Ndau or Portuguese

**Malawi:** English and Chichewa, Chiye, or Tumbuka

### Purpose of the Job

In accordance with the Health Professions Council of South Africa "General Ethical Guidelines for Good Practice in Telehealth" a duly deemed independent competent and registered health profession can serve as a consulting practitioner in collaboration with the presiding servicing healthcare practitioner. UtanoCnct Pty a pioneering health services platform working through a network of South African based general practitioners is looking for an Independent General Practitioner who are duly registered as such in their country of practice to render consulting services to Mozambicans/Malawians in South Africa. UtanoCnct Pty is company grounded in the belief that an understanding of patient's culture and geographic origins are key in provision of quality healthcare.

### Key Responsibilities

- Conduct virtual video consultations
- Take medical histories and assess patient symptoms
- Recommend treatment to the servicing practitioner or refer patients when needed
- Document consultations accurately in English on the UtanoCnct electronic patient management system
- Maintain patient confidentiality and adhere to professional ethics
- Collaborate with the SA based servicing practitioners and other healthcare providers to ensure seamless care

### Minimum Requirements

- **Nationality:** Mozambican/Malawian
- Registered with the relevant registration body as an independent practitioner
- Access to a stable internet connection and computer (*practitioners will only use desktops or laptops- no mobile devices allowed for consultation*)

### Preferred Qualities

- Tech-savvy and comfortable using telehealth tools
- Excellent communication and empathy skills
- Patient-centred care mindset
- To cater for the diversity of Mozambican in SA we encourage applicants of both gender, all age groups with varied areas of expertise to apply

### Fee

- Consultation rate of **ZAR 150** per session (15 mins max per consultation)
- Anticipated annual income: **R500 000-700 000**

### Benefits of Working with Us

- Work remotely from anywhere in world.
- Serve Mozambican/ Malawian patients in your own language and cultural context.
- Earn a flexible income with minimal overhead costs.
- Be part of a mission to expand access to healthcare across Africa

### To Apply

Applications should be submitted through healthcare provider registration portal on our website [www.utanocnct.co.za](http://www.utanocnct.co.za)

Successful applicants will be notified via email and onboarding to the platform.
