

Job Advert Malawian and Mozambican Nurse Practitioner – Telehealth

Company: UtanoCnct (Pty) Ltd

Position: Remote Registered Nurse

Language Requirement:

- **Malawi:** English and Chichewa and/or Yao, Tumbuka
- **Mozambique:** English and Xitsonga or Ndou or Portuguese

Purpose of the Job

In accordance with the South African Nursing Council position on telehealth (2021), UtanoCnct (Pty) Ltd—a pioneering health services platform working through a network of South African-based general practitioners—is seeking Nurses duly registered in their country of practice to provide nursing support services to **Malawian and Mozambican patients in South Africa**. UtanoCnct is grounded in the belief that understanding a patient's culture and geographic origins is key to delivering quality healthcare.

Key Responsibilities

- Support virtual patient consultations alongside servicing healthcare practitioners.
- Perform patient triage using assisted point-of-care technologies and capture medical histories.
- Provide patient education, counselling, and follow-up care instructions.
- Document consultations and follow-up notes accurately in English using the UtanoCnct electronic patient management system.
- Maintain patient confidentiality and adhere to professional ethical standards.
- Collaborate with South African-based practitioners and other healthcare professionals for seamless patient care.

Minimum Requirements

- **Nationality:** Malawian/ Mozambican citizen
- **Registration:** Must be registered with the relevant council
- Familiarity with over the counter (OTC) medication guidelines via **SAHPRA** for South Africa.
- Stable internet connection and access to a **desktop or laptop** (mobile devices are not allowed for consultations).
- Good knowledge of the **South African OTC medicines list** (for more details, visit the **South African Health Products Regulatory Authority [SAHPRA] website**).

Preferred Qualities

- Tech-savvy and comfortable using telehealth tools.
- Excellent interpersonal and communication skills.
- Patient-focused and empathetic approach to care.
- **We encourage nurses of all age groups, genders, and specialties to apply.**

Fees

- **Consultation rate:** ZAR 80 per session (15 minutes maximum per consultation)
- **Anticipated Annual income:** R300 000-400 000

Benefits

- Work **remotely** from anywhere in the world.
- Deliver care to **Malawian/ Mozambican patients** in their own language and cultural context.
- Earn **flexible income** with minimal overhead.
- Join a **mission-driven company** expanding healthcare access across Africa.

To Apply

Applications should be submitted through the **healthcare provider registration portal** on our website: www.utanocnct.co.za. Successful applicants will be notified via email and onboarded onto the platform. **Queries:** Email HR@utanocnct.co.za or WhatsApp: **+27 73 234 9789**.
