

## Job Advert

### Swahili-speaking Independent General Practitioner – Telehealth

**Company:** Utanocnct (Pty) Ltd

**Position:** Remote Consulting General Practitioner

**Language Requirement:** English and Swahili

#### Purpose of the Job

In accordance with the Health Professions Council of South Africa “General Ethical Guidelines for Good Practice in Telehealth”, a duly deemed independent, competent, and registered health professional can serve as a consulting practitioner in collaboration with the presiding servicing healthcare practitioner. UtanoCnct (Pty) Ltd, a pioneering health services platform working through a network of South African-based general practitioners, is looking for **Swahili-speaking Independent General Practitioners** who are duly registered as such in their country of practice to render consulting services to **Swahili-speaking people in South Africa**. UtanoCnct (Pty) Ltd is a company grounded in the belief that an understanding of a patient’s culture and geographic origins is key in the provision of quality healthcare.

#### Key Responsibilities

- Conduct virtual video clinical consultations.
- Take medical histories and assess patient symptoms.
- Recommend treatment to the servicing practitioner or refer patients when needed.
- Document consultations accurately in English on the UtanoCnct electronic patient management system.
- Maintain patient confidentiality and adhere to professional ethics.
- Collaborate with the South African-based servicing practitioners and other healthcare providers to ensure seamless care.

#### Minimum Requirements

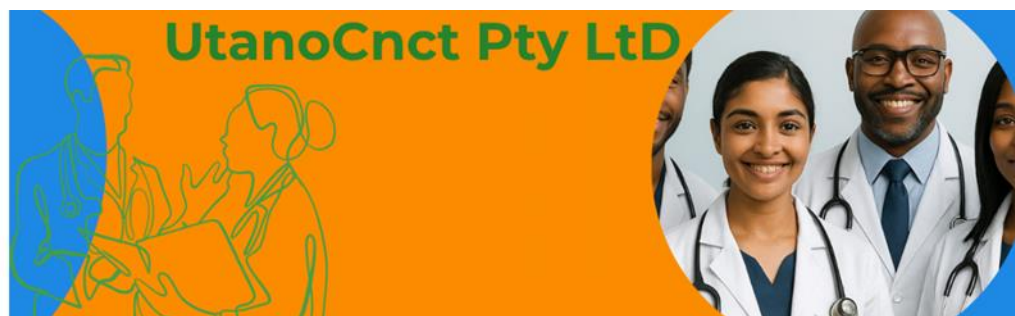

- **Nationality:** Citizens of Kenya, Tanzania, Uganda and Democratic Republic of Congo
- **Language:** Must be fluent in English and **Swahili**
- **Registration:** Must be registered with the relevant council
- Access to a stable internet connection and a computer (practitioners will only use desktops or laptops - mobile devices are not allowed for consultations).

#### Preferred Qualities

- Tech-savvy and comfortable using telehealth tools.
- Excellent communication and empathy skills.
- Patient-centred care mindset.
- To cater for the diversity of **Swahili speaking people** in SA, we encourage applicants of all genders, age groups, and varied areas of expertise to apply.

#### Fees

- Consultation rate of ZAR 150 per session (15 mins max per consultation).

### Benefits of Working with Us

- Work remotely from anywhere in the world.
- Serve **Swahili-speaking** patients in your own language and cultural context.
- Earn a flexible income with minimal overhead costs.
- Be part of a mission to expand access to healthcare across Africa.

### To Apply

Applications should be submitted through the healthcare provider registration portal on our website: [www.utanocnct.co.za](http://www.utanocnct.co.za) Successful applicants will be notified via email and onboarded to the platform. If you have any queries, email: [HR@utanocnct.co.za](mailto:HR@utanocnct.co.za) or WhatsApp: **+27 76 855 6807**.
